[9] You've seen it on TV and with more casinos are opening up it looks like something fun to try. This is an interesting game but you don't want to sit down at a table without knowing the basics. Are there games you can play without worrying about losing your shirt? (Hint yes, with a few good tips). How a little easy math can help you shift the odds in your favor. I will talk about no limit hold-em, but we will concentrate on limit hold-em as that is a better game for beginners. You won't be an expert, but you will be able to sit down at a casino game and not look like an idiot and have some fun as well. Moderated by Jim Overly

[10] Come test your nerdy prowess in a game of trivia! Moderated by Chris & Alize
